Are you tired of being single? Are you ready to meet the man of your dreams - literally? Believe it or not, you are just "Six Steps" away from meeting your perfect mate!

The LIST: Cupid's No-Nonsense Guide to Meeting the Love of Your Life in Six Easy Steps will help you change the thinking that's been blocking you from meeting The Love of Your Life . I was tired of meeting all the wrong men. I was divorced and alone for almost 20 years until I made "the LIST." Using my LIST, I found the right man, the man of my dreams. So have a few of my girlfriends. And now, you can too.

It's easy and it's fun. I promise. If you can order a pair of great new boots, you can just as simply "order" a great man too - the one whom you'll love and the one who'll love you. Sounds crazy? But it's true!

You will discover:

• What is stopping you from meeting the man of your dreams and how to turn that around.

• How to create "the LIST" of all the terrific characteristics you are looking for in a man.

• How to use "the LIST" and finally meet that "perfect-for-you guy" the one that matches "the LIST" the one you've been searching and waiting for.

• Why you need to: Be Kind (to yourself), Be Happy, and Be Grateful.

As the good witch Glinda told Dorothy in The Wizard of Oz,

"You've always had the power, my dear. You just had to learn it for yourself."

YOU have the power too. But like Dorothy, no one has ever taught you how to use it ..

until now!
